February, 2019 – December, 2020

Argos Scientific Inc., Camas, WA

- Worked on brochure design, website design consultation, graphics editing, and map mockups for project planning

Graphic Designer

June 19th, 2018 – July 15th, 2020

Transportation Services at Oregon State University, Corvallis, OR

- Created various print media and parking permits for the campus, and bike fenders for their bikeshare program
- Photography work
- Directed marketing design for the annual event Open Streets Corvallis creating both print and digital assets

ABOUT ME

I'm ambitious, learn fast, and am always thinking in terms of design. I excel at print and digital design but also have experience in web design, and motion graphics. Also I excel at minimalistic and bold art styles and have a big interest in branding.
